Dear Sirs,

This letter is in regards to changing the zoning of the property bounded by Schele and Edsal Avenues and McCormick Street from the two Family to a Multiple Family Residential. We are unable to attend the meeting on March 20 concerning this zoning change.

My wife and I are very much against this change in zoning and against the proposed building of low rent apartments on the property in question.

When the government first put up the Tin Village for ~~the~~ low rent housing for veterans and their families, it served it's purpose perfectly. It was well kept up and handled properly but as the years wore on, the tenants began loosing interest in keeping up their small plots. Then a private concern purchased it from the government and from then on it turned into a rat, snake and roach infested tin town. Fires were numerous and those shacks seemed to attract more trash on Welfare than honest to goodness hard working people. Since tin village has been torn down we landowners also living on bordering streets have had more of an incentive to improve our properties and keep them in good condition now that we no longer need look at the mess across the street. If more low rent housing were put in there, we will have more of the same.

Why can't the city put a park in there for the children around there or sell it in decent size lots for people to build on?

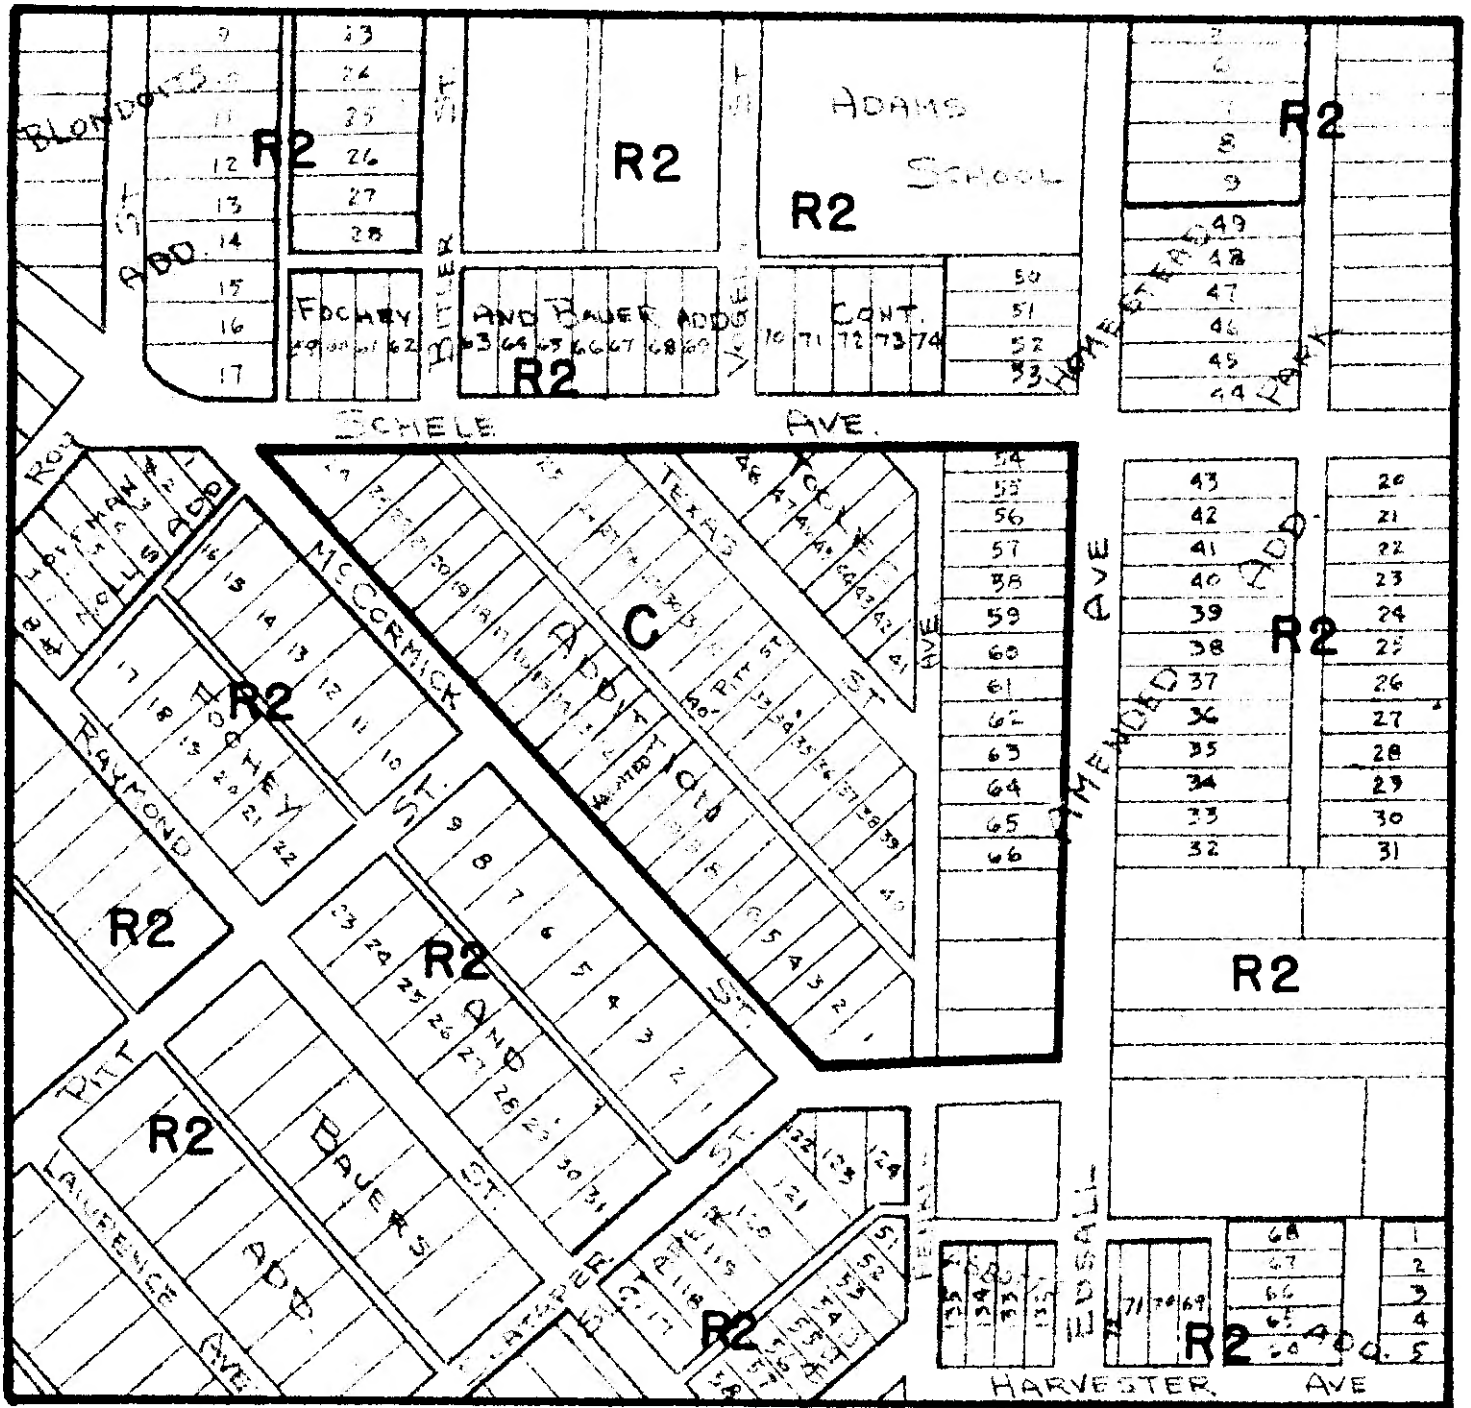

As I stated before, my wife and I are definitely against this proposed change in the zoning of the property across the street from my home.

Sincerely yours,

Mr. Joseph Nieb
